

ADDITIONAL TERMS OF CHILDCARE CONTRACTS WITH KINDEROPVANG MORGEN

PART I: GENERAL

Clause 1 - Applicability

These 'Additional terms of childcare contracts' ('Additional Terms') apply to all products and/or services provided by Kinderopvang Morgen ('Morgen') or any of its brands, with the exception of pre-school childcare ('peuteropvang' or 'peuterspeelschool'), Speelstart and Samenspel.

These terms apply:

- in addition to the childcare contract (the "Childcare Contract") entered into with the parents/guardians ("Client")
- and the 'General Terms and Conditions for Childcare, Day Care and Out-of-School Care' issued by the Branchevereniging Maatschappelijke Kinderopvang ("General Terms and Conditions").

Please note: This is a translation. If the English translation differs from the original Dutch text, the Dutch text prevails.

In the event of any conflict between the Childcare Contract, the General Terms and Conditions and/or the Additional Terms, the Childcare Contract shall take precedence over the Additional Terms. The Additional Terms shall take precedence over the General Terms and Conditions.

Clause 2 – Childcare Contract and parental authority

- 2.1 The Client receives a Childcare Contract (in electronic form or otherwise). The placement becomes definite if the Childcare Contract signed by the Client is returned to Morgen within 7 days. The Client will receive a written confirmation of this. Once the period for returning the Childcare Contract has expired, the offer of a placement ceases to apply.
- 2.2 The Childcare Contract is entered into in the name of one of the Parents/Guardians, who also signs the Childcare Contract.
- 2.3 The parents/guardians are the persons listed in the Childcare Contract as parents and guardians (the "Parents/Guardians").
- 2.4 The following principles apply here:
 - 2.4.1 The Client has agreed the arrangements relating to the Childcare Contract with the other Parent/Guardian, if both Parents/Guardians have parental authority. Unless both parents sign the Childcare Contract, the Client also signs on behalf of and with the consent of the other Parent/Guardian.
 - 2.4.2 If the Parents/Guardians disagree with one another regarding the childcare at Morgen, the Client may demonstrate that Clause 2.4.1 does not apply (or no longer applies) by: producing an application for an injunction, a court judgment, an extract from the civil registry recording a divorce or termination of a registered partnership or a divorce agreement.
 - 2.4.3 Under Article 1:377c of the Dutch Civil Code, a Parent/Guardian is always entitled to information about 'important facts and circumstances affecting the child's person or their care and upbringing'. Even where the Parent/Guardian does not have any parental authority over the child.
- 2.5 The Parents/Guardians are jointly responsible for correct and timely payment of the childcare costs, as described in Clause 9.

Clause 3 – OuderApp (Parent App)

- 3.1 For communication with the Client and the organisation of childcare-related matters, Morgen uses a mobile application with a parent portal (the “Parent App”). By signing the Childcare Contract the Client agrees to the use of the Parent App.
- 3.2 Morgen works with two types of credit: holiday credit and compensation credit (in the Parent App: ‘My credit’):
 - 3.2.1 Holiday credit (Out-of-School care) for applying for childcare on holiday days and days when school is closed and/or extra childcare during school days (in the Parent App: ‘holiday days childcare credit’).
 - 3.2.2 Compensation credit (in the Parent App: ‘compensation for absence’) is for swapping days (see Clause 8).
- 3.3 The balance of ‘contracted hours when childcare shall not be used’ (Day Care - Tailor-Made) is the number of hours for which the Client needs to give notice that their child will not be attending childcare.
- 3.4 All applications for extra days, days when school is closed and holiday days (out-of-school care), swapping and notice of days when childcare will not be used, including the use of credits, take place via the Parent App.
- 3.5 Where placements or contract amendments take place in the course of the year, Morgen calculates the balance of ‘contracted hours when childcare shall not be used’ or the holiday credit on a pro rata basis.
- 3.6 The rules for using the Parent App are available in the Parent App.

Clause 4 – Childcare allowance (kinderopvangtoeslag)

- 4.1 The Client is responsible for applying for childcare allowance correctly and in good time and notifying any changes to the Dutch Tax and Customs Administration.
- 4.2 Morgen will supply the Client once each year with an annual statement for the purposes of childcare allowance.

Clause 5 – Cancellation of Childcare Contract and cancellation charges

- 5.1 A signed Childcare Contract may only be cancelled in writing. Send an email to plaatsingen@kinderopvangmorgen.nl or a letter to:
Client Contact, Kinderopvang Morgen, Martin Campsstraat 3, 2286 SB Rijswijk.
- 5.2 The Client is required to pay cancellation charges in the case of a cancellation within one month prior to the start date of the Childcare Contract. The cancellation charges are equal to the childcare costs for one month and must be paid within 14 days following the invoice date. In the case of cancellation more than one month prior to the start date, no cancellation charges are due.

Clause 6 – Changes, notice to terminate and termination of Childcare Contract and suspension

- 6.1 Changes (to hours, days or type of childcare) or notice to terminate in respect of the Childcare Contract may only be communicated in writing by sending an email to plaatsingen@kinderopvangmorgen.nl or a letter to: Client Contact, Kinderopvang Morgen, Martin Campsstraat 3, 2286 SB Rijswijk.
- 6.2 The notice period for changes and termination is one (1) month. This period starts on the date when the notice is received by Morgen.
- 6.3 Changes or termination may take effect on any day of the month.
- 6.4 A placement at a day care terminates automatically on the day of the child’s 4th birthday.
- 6.5 A placement in out-of-school care terminates automatically on 31st July of the school year when the child starts secondary school.
- 6.6 In the case of automatic termination, no notice is required.

6.7 Morgen may terminate a placement early by giving one month's notice. This is in accordance with Clause 15 of the General Terms and Conditions and the Morgen suspension policy.

Clause 7 – Opening and closing times, holiday weeks and school weeks

- 7.1 The opening and closing times are stated on the childcare centre's websites.
- 7.2 For a number of childcare products, fixed time slots apply. The Client must adhere to these. Morgen reserves the right to change the time slots. If this results in a change in the number of childcare hours, Morgen will reflect this in the childcare costs from the date when the change takes effect.
- 7.3 Morgen is closed on Saturdays, Sundays, public holidays (New Year's Day, Easter Monday, King's Day, Liberation Day, Ascension Day, Whit Monday, Christmas Day and Boxing Day) and in addition on the following days or hours: on 24th December and 31st December we close at 17.00 hours. Furthermore, we may close for one day each year for a staff training day. The public holidays are determined in the Collective Labour Agreement for Childcare (CAO Kinderopvang).
- 7.5 It is not possible to swap official public holidays, and there is no entitlement to compensation. Only pre-determined collective closure days or hours will be compensated.
- 7.6 Morgen observes the 12 holiday weeks (the "Holiday Weeks"), as determined by the Dutch Ministry of Education, Culture and Science (OCW).
- 7.7 School weeks are the weeks in a calendar year that are not Holiday Weeks (the "School Weeks").
- 7.8 The Client shall drop off and collect the child within the opening times and/or time slots. Or as agreed at the time of the intake or placement. The Client shall sign the intake form for this purpose.

Clause 8 – Swapping childcare days

- 8.1 Swapping the childcare days is possible *on an occasional basis* using the compensation credit. Swapping is subject to rules ('Swapping days or booking extra days at Morgen childcare centres') and is only possible if there is availability.
- 8.2 The Client shall not derive any rights from the option to swap days.

Clause 9 – Payment and fees

- 9.1 The Client is obliged to pay Morgen the childcare fees as stated in the Childcare Contract. Failure to pay on time may result in suspension of services (see suspension policy).
- 9.2 The childcare fees are adjusted annually. In deviation from the General Terms and Conditions (article 11 paragraph 3), we are permitted to change the agreed price once per calendar year. If we change the price, it will take effect on January 1st.
- 9.3 Morgen will charge the annual amount on a monthly basis in equal instalments (monthly amount). This is irrespective of the number of childcare days in that month and whether the Client has made use of those childcare days.
- 9.4 The Client shall receive an electronic invoice each month in advance stating the monthly amount payable.
- 9.5 Extra childcare days/hours that have not been purchased using credit, shall be charged in arrears each month on an additional invoice, at the hourly rate applicable at that time.
- 9.6 In the event of termination (including early termination) or amendment of the Childcare Contract, Morgen shall recalculate the holiday credit (in the case of a Childcare Contract for Out-of-School Care Total or Out-of-School Care Plus) and the contracted hours when childcare shall not be used (in the case of a Childcare Contract for Day Care - Tailor-Made). Where the number of hours purchased has been exceeded, the

additional childcare hours used will be charged to the Client. In all other cases, no restitution will take place.

- 9.7 The total invoice amount must be paid within 14 days of the invoice date. Payment is by direct debit. Direct debits will be made on or around the 26th of the month.
- 9.8 Where payment is made otherwise than by direct debit the Client shall ensure that the payment reference includes the Client number and/or invoice number. The total invoice amount must be paid in a single payment before the 26th of the month.
- 9.9 In the case of late payment, the Client will first receive a payment reminder. This payment reminder will be sent via the Payt system. The Client can make the payment using the Ideal-Link in the reminder. If Morgen does not receive payment within 15 days, the Client will receive a formal notification of payment arrears. If this payment is still not received within 8 days, a second formal notification will be issued. If payment is still not made, the matter will be transferred to a debt collection agency. The associated collection costs shall be borne by the Customer.

Clause 10 – Personal data processing

- 10.1 Prior to the start date of the Childcare Contract, the Client shall supply to Morgen the Dutch personal public service numbers (*Burgerservicenummer*, BSN) for the Parent(s)/Guardian(s) and for the child. This is a legal requirement to enable the Dutch Tax and Customs Administration to check the childcare allowance payable.
- 10.2 Morgen is required by law¹ to supply personal data from its administration relating to the Client and their child(ren) (name and address, date of birth and BSN), together with information on the number of childcare hours and the hourly rate, to the Dutch Tax and Customs Administration (*Belastingdienst*) for the purposes of childcare allowance.
- 10.3 Morgen is required to check that the correct BSN has been provided for the Client and the child. We check this by inspecting a valid identity document.

Clause 11- Force majeure

- 11.1 Force majeure applies where Morgen is unable to comply with the Childcare Contract due to a circumstance for which Morgen cannot be held responsible, as this circumstance is not attributable to any fault of Morgen and Morgen is not responsible for it by law, under the Childcare Contract or according to generally accepted standards. This is to ensure the continuity of services in the future.
- 11.2 The following situations shall in any event be regarded as force majeure, where they prevent Morgen from complying with the Childcare Contract: fire, strike, war (or risk of war), terrorism and/or terrorist threat, insurrection, emergency government measures, (natural or other) disasters or pandemic.

Clause 12 – Amendment of ‘Additional Terms of Childcare Contracts with Kinderopvang Morgen’

Morgen may amend the Additional Terms during the term of the Childcare Contract, including making any amendments required due to changes to legislation or regulations. Morgen shall give the Client written notice of any amendment at least one month before the effective date. In the event of a unilateral amendment to the Additional Terms that has a negative effect for the Client, the Client may terminate the childcare contract with effect from the date on which the amendment takes effect. In all other cases the Client is bound by the amended terms.

¹ Childcare Act Regulation (*Regeling Wet Kinderopvang*), Article 38 of the Implementing Decision concerning the General Means-Tested Schemes Act (*Uitvoeringsbesluit Algemene wet inkomensafhankelijke regelingen*) and Articles 1a and 1b of the Implementing Decision concerning the General Means-Tested Schemes Act (*Uitvoeringsbesluit Algemene wet inkomensafhankelijke regelingen*).
